Bridging Learning, Building Confidence – Pre-Term Programme 2026 **Grades 3 to 5**

Dear Parents and Students
Greetings!

As we prepare to embark on the new academic session in **July 2026**, filled with renewed aspirations and exciting learning opportunities, the school will be organizing a **Bridge Course/Pre-Term Programme** for all new students from **grades 3 to 5**.

The **Bridge Course/Pre-Term Programme** has been carefully designed to help students reconnect with learning and gradually settle into the academic rhythm of the school. It will be highly beneficial for newly admitted students, offering them an opportunity to become acquainted with **the international curriculum, classroom practices, and academic expectations** followed at the institution.

Through guided learning experiences and engaging academic activities, **the programme will enable students to adapt confidently to the new educational environment while strengthening their conceptual foundations and preparing them for the academic rigour of the forthcoming session 2026-2027.**

The Bridge Course will commence on **Monday, 6 April**, and the timings will be **7:50 a.m. to 12:50 p.m.** Students availing the school transport will be dispersed via the **junior bus routes**.

We encourage all students to attend regularly and make the most of this enriching preparatory phase as they begin the new session in **July 2026** with renewed motivation and readiness.

Warm regards,

Mrs. Tejinder Kaur
