Orientation Programme for Post-IGCSE Subject Pathways (AS Level & IBDP)

Dear Parents and Students

Greetings!

As students approach the completion of Cambridge IGCSE-2, an important academic milestone lies ahead - the selection of an appropriate pre-university pathway. To support informed decision making, the school is organizing an Orientation Programme to guide students and parents through the available options: Cambridge AS Level and the International Baccalaureate Diploma Programme (IBDP).

The session will provide a comprehensive overview of both curricula, highlighting their academic structure, subject choices, assessment patterns, skill development, and global university recognition. While Cambridge AS Level offers subject-specific depth and flexibility, allowing students to specialize early, the IBDP emphasizes a holistic and inquiry-based approach, fostering critical thinking, research skills, and international-mindedness.

Interaction with the academic leadership team will help clarify expectations and address queries.

Details of the programme are as follows:

Date/Day: **Saturday, 17 January, 2026**

Timings: **9:30 am to 10:30 am**

Venue: **Chemistry Studio, Cambridge & IB building**

We strongly encourage all Grade 10 students and their parents to attend this programme to make a confident and well-informed choice for the next stage of their academic journey.

Warm regards,

Mrs. Tejinder Kaur

Head of School (IB & Cambridge)
