CLASS ASSEMBLY-3A

BHARAT

India gained independence on August 15, 1947. It was the most joyous moment in the history of India as it came following nearly two centuries of struggle and revolutions against British sovereignty. The day reminds us of the valour and sacrifices of our fellow countrymen, who were the torchbearers of the freedom struggle.

To commemorate the indomitable spirit of our freedom fighters and political patrons, Grade 3 A presented their Class Assembly '**Bharat**' on the 9th of August 2019. Students presented a stupendous performance highlighting some important people who shaped Bharat. They requested the audience to do their bit for the nation. The Assembly concluded with the powerpacked performance of dance. The entire hall reverberated with applauds and patriotic feeling spread across with "Bharat Mata ki Jai" slogans.
