### Diwali Activity

Diwali, the festival of lights, is India's most awaited festival. The beautiful diyas symbolize the triumph of good over evil. This festival was celebrated in our school with full gusto and enthusiasm on 21<sup>st</sup> October, 2019. The traditions and significance of the festival was explained to the kids by the teachers. A variety of activities were organized in the school. Students of Grade 1 were actively involved in the making of colorful paper candles. The colourful candles beautifully adorned the hallways and the classes throughout the school.
