

Activity and Events

Clay modelling is an activity that nurtures a child's creativity, boosts imagination, imbibes self-confidence and promotes problem solving skills.

The students of K1 on 1st October 2021, under the ongoing theme "Nemo the Fish" participated in the clay modelling activity wherein they pounded, squeezed, rolled, and blended the clay to make some amazing under water creatures like octopus, fish, turtle, starfish, jellyfish, etc. The finished product at hand was a treasure to cherish for the young ones as they experienced the feeling of accomplishment and satisfaction.

GRADE-K1 CLAY MODELLING

Mahatma Gandhi summed up his philosophy on life with the words, 'My life is my message'. His multifarious and dynamic personality was based on truth and non-violence. The students of Grade 1 participated in a virtual play 'Tribute to Mahatma' on 1st October, 2021. They dressed up according to their characters and paid homage to our Father of the Nation.

Inspiring events from his life were beautifully enacted by our young ones. The dance performance in the finale clearly displayed the strength of collective effort put in by the students, parents and teachers.

The little patriots cherished the activity and it was a proud feeling for the teachers and parents to see the children perform so brilliantly.

GRADE-1 TRIBUTE TO MAHATMA GANDHI

Activity and Events

The students of Grade 3 were asked to use digital media as digital literacy is an extremely important component which makes a child responsible for how they can utilise technology to interact with the world around them and what are the new knowledge gaining areas that they can be well-versed with. Therefore, students were asked to create a presentation on any insect of their choice for their ICT class activity. The objective of this activity was to encourage students to hone and demonstrate their Microsoft skills for enhanced learning outcomes. Each one of them explored, analysed and investigated their favourite insect using Google as their search engine. They compiled their research beautifully using tools of Microsoft Word documents like insert, alignment, layout, design etc. The children proudly presented their interesting findings on various insects to their teacher and peers. It was quite an enjoyable learning experience for all

GRADE-3 BEAUTIFUL WORLD OF INSECTS

GRADE-3 TRIBUTE TO RASHTRAPITA

To reinforce the teachings of Gandhiji, grade 3 students paid a melodious tribute to Shri Mohandas Karamchand Gandhi, fondly called as 'Bapu'. The students rendered some of the most popular and motivational songs based and inspired from the life of Mahatma Gandhi in their virtual class. Mahatma Gandhi is revered the world over for his philosophy of truth, non-violence and resistance. Mohandas Karamchand Gandhi was known to his many followers as Mahatma, or 'the great-soul'. His principles and teachings are very effective even today. The purpose of this activity was to honour the iconic leader and take lessons from his life, following the principles of truth and non-violence. Gandhiji considered non-violence to be a philosophy, a principle and an experience which makes it possible to build a better society.

Activity and Events

Keeping the festive spirit alive, Dusshera was celebrated by K1 students on 12th October 2021. The students along with their parents dressed up in colourful, ethnic wear and danced on their favourite song with dandiya sticks. The students play a game in which they had to dart the belly button of Ravana

To mark Lord Rama's victory over Ravana and to reinforce the message that good always triumphs over evil, a week long craft work of a big colourful, effigy of Ravana was made by the students.

GRADE-K1 DUSSEHRA CELEBRATIONS

GRADE-K2 VIRTUAL RAMLILA

A musical Ramlila was orchestrated by the students of Grade K2 of Kothari International School on 12th October 2021, beautifully showcasing the chronicles of Lord Ram with great enthusiasm and energy. It was a visual delight watching the students act, sing and dance, in an effort to celebrate virtual Ramlila. The children dressed up as various characters from the Ramayana depicted the story of Lord Rama and his return to Ayodhya after conquering Ravana through a wonderful skit thus spreading the message of victory of 'Good over Evil.' This presentation was not only entertaining, but also highly informative. They gave us a glimpse of our Indian culture and traditions. The students enjoyed the show with full fervour, unbounding enthusiasm and deserve a big shout out.

Activity and Events

The Grade 1 students of Kothari International School celebrated Dussehra, the festival of victory of good over evil on October 12th, 2021. They all virtually participated in the activity Lights, Camera and Action. Students dressed up as various characters like Lord Rama, Sita, Raavan, Lakshman, Hanuman and spoke about the significance of the festival, narrated stories, sang songs and mantras.

To reinforce the message of good over evil, the students promised to shun away evil and walk on the path of truth. To further ignite the spirit of the festival, the students also created spectacular Raavan puppets.

GRADE-1
LIGHTS, CAMERA AND ACTION

GRADE-3
ARTIST FOR NATURE

Students of Grade 3 recently collaborated with Turkey, Ari Private Middle School, for an international exchange program called Artist for Nature. The collaboration aimed at promoting students' engagement in art activities and raising awareness about cultural heritage. The students of Ari Private Middle School held a virtual tour of Zuegma Museum and presented Turkish ceramics. This virtual collaboration definitely helped students from both sides in building a connect with each other and breaking the ice for many more fruitful and collaborative sessions to happen in the near future. .

Activity and Events

Making an aquarium inspires cognitive development, sparks the student's imagination, and improves their social and emotional skills at the same time educating them about the wonderful sea world, the different types of sea animals and the different parts of a fish too.

The students of K1 made their own fascinating aquarium called Nemo's House on 22nd October 2021, under the ongoing theme Nemo with the help of shoebox, colours, clay, coloured paper, etc. They made colourful fishes, octopus, star fish, baby shark, corals and seaweeds.

The students were thrilled and overjoyed to own their own fascinating sea world called Nemo House. After making their aquarium the students celebrated their bliss by making bhel puri and rooafza.

**GRADE-K1
NEMO'S HOUSE**

Students of Grade K2, of Kothari International School once again exhibited their culinary skills in 'Fireless Cooking Class' on 22nd October 2021. They learnt how to make Sumptuous Pinwheel Rolls using bread and jam or Nutella as the filling. The whole process of making the dish boosted their confidence, as it not only looked attractive but was extremely delicious too. They thoroughly enjoyed cooking and savouring the rolls.

**GRADE-K2
FIRELESS COOKING**

Activity and Events

The K1 students on 29th October 2021 learnt to measure the length of various objects using the non-standard measuring units like hands, feet, blocks, beads, pencils, crayons etc. An interesting activity was planned for the students wherein they had to measure the length of a box, water bottle, books etc. by doing the hand span activity and then they measured the edge of their carpets or floor with the help of foot span activity and thereby recorded the results.

It was a complete hands-on approach to help the students understand the concept of measurement. All the students thoroughly enjoyed these activities.

**GRADE-K1
MEASUREMENT ACTIVITY**

**GRADE-K2
DIYA MAKING**

The excitement and celebratory spirit that Diwali brings is unmatched. Indulging in the spirit of festivities and to soak in the glow of festival of light- Diwali, Grade K2 students at Kothari International School drew beautiful Diyas and decorated it on 29th October 2021.

Children displayed their creativity by making beautiful Diyas with colours. They sprinkled glitter onto their artwork to make the paint sparkle and look more colourful. Students were made aware of air pollution and its harmful effects. 'Green Diwali, Clean Diwali' was the main objective of this activity. It was sheer pleasure and a great experience for all our students who participated enthusiastically in the activity.

Activity and Events

'Farm tells a story' Was an online activity organized for the Grade 1 students on October 29th, 2021. This activity was a part of the ongoing theme 'Farm to Plate'. It enabled students to communicate their ideas, thoughts and views about the traditional and the modern farming and the journey of food from farm to plate using models, drawings, flash cards etc.

The students spoke with confidence, enthusiasm, zeal and added a wonderful dimension to the activity. The parents and the teachers were happy to see the performance of the students.
