ADHERENCE TO DRIVING REGULATIONS

Dear Parent

Namaskar!

This is to apprise you that the School has received a notice from the Traffic Police Commissioner regarding some of our students are driving a vehicle (scooter, motor cycle or car) to school and are not following the driving regulations. The school has taken a serious cognizance of the same.

Your ward should have attained the age of 18, possess a License and wear a helmet if riding two-wheeler. If any Student is found violating the Regulations, The school and Traffic police will take action against them.

We request you to support and cooperate with the School as always in the interest, safety and well being of your Ward.

Best Regards

Dr. Sangeeta Arora
Principal
Kothari International School
