**13.07.2022**

Swimming is an essential life skill and a great recreational sport that can be enjoyed by people of all ages. Our children have missed out the use of swimming pool since the last two years due to the Covid 19 pandemic. The Swimming Pool operations have started from the month of July 2022, in accordance with the guidelines issued by the Ministry of Health.

### **Swimming Pool Protocol:**

- Comply with all the instructions displayed/ given by the coach
- Appointed coaches and certified life guards will constantly monitor the student's movement
- Students must carry personal face mask, swimwear, towel, cap, goggles, water bottle and mesh bag. No other items should be brought to the facility
- No student displaying suggestive Covid 19 symptoms (fever, cold, cough, sneezing, sore throat, diarrhea, vomiting etc.) will be allowed inside the pool
- Before the students enter the pool, they need to take an obligatory shower
- Students will not be allowed to enter the swimming pool if they are suffering from a dermatological disease. Students with extended abrasions, blisters or open wounds would also not be allowed to enter the swimming pool for the safety and security of the student and others
- Students will not be allowed to congregate in groups of any size before, during and after practice
- All students to remain at least 6 ft. away from each other
- Swim bags and equipment bags will be limited and taken back. Students will not store equipment bags at the pool

All medical issues need to be reported beforehand to the Grade Tutor.

School maintain the highest standards of safety, hygiene and will take all necessary precautions.

The Swimming Pool will remain operational even after the school timing for Swimming Academy on paid basis.
