KIS/ JULY/2022-23/049

4.07.2022

Dear Parents,

NELTAS is an emerging organization which focuses on making children future ready with English language Assessment, Testing and Training. This year, they have come up with 12th International English Language competition 2022-23 for students from grades 2-8. **ECAT** is a blend of assessment and international level competition.

ECAT aims to strengthen grammar base and comprehension skills. With a powerful study material support, NELTAS is providing opportunity to win international awards and certifications.

The exam will be conducted in two levels. The first level will take place on **12th October, 2022**. The registration fee for the first round of assessment will be **free of cost**. To register, kindly fill up the form sent by the school and submit the same to the respective grade tutor by **7th July, 2022**. For more details, kindly refer to the student registration form.

Best Regards
