KIS/DECEMBER/22-23/333

13.12.2022

Dear Parent

We at KIS believe in the efficacy of experiential learning and in reinforcing classroom teaching with various activities that enhance learning and make lessons come alive.

Kothari International School, Noida, in collaboration with **Delhi Metropolitan Education, Noida**, is organizing a **Moot Court Competition on Saturday, 17 December 2022**. A Moot Court is a replica of real court proceedings. Moot Court is a court proceeding practiced at institutions to make students familiar with the oral proceedings that take place in real courtrooms. Mooting helps in the overall development of students to become a proficient lawyer with exceptional argument skills based on law. It inculcates discipline among the students and enhances their speaking and legal skills. Mooting helps students understand the importance of arguing passively in front of the judge and learn to work under pressure to reach the goal.

We are pleased to inform you that your ward _____ of Grade ____ Section _____ is going to participate in this prestigious competition.

Please note:

- Students must be in **Business Formals/Winter School Uniform**; trousers, tie and blazer are mandatory for all the students.
