## ANNUAL EXAMINATION - GRADE 11

**Dear Parent**

Namaskar

Please be apprised that in the forthcoming Annual Examination commencing February 06, 2023, your Ward has to score a minimum of 33% in all Subjects, separately in Theory and Practical for promotion to Grade 12.

In the event of failure in one/two Subjects, your Ward will be allowed a Compartment Examination to be cleared with the same criteria as mentioned above. The same would be documented in the Report Card. Failure in three or more Subjects would result in repeating the year.

If your Ward were to miss an Examination, there will be no provision for a re-examination. He/She will take a Compartment Examination and the same will be documented in the Report Card.

**Regards**
