Grade 12

STUDY ABROAD DESK AT KOTHARI INTERNATIONAL SCHOOL, NOIDA

Dear Parent

In 2022, Kothari International School joined hands with IDP Education (<https://www.idp.com/india/>) . IDP India is the world leader in international student placement and co-owner of IELTS. They have been creating a network of opportunity for students in overseas education for over the past 50 years. Their extensive network of approachable experts helps students to identify and secure the university or colleges. They have partnered with more than 650 leading universities, schools and colleges across Australia, Canada, New Zealand, the United Kingdom and the United States. Apart from assisting the students choose the right university and course, they also guide them with submitting their applications, visa processing and the like.

In collaboration with IDP Education, the school strives to help students with carving out their career path. Thus, One-on-One counselling sessions shall be scheduled for students of grade 12th at school. We will be allocating time-slots where students can visit the destination counsellors.

The students can:

- discuss their profile
- explore opportunities available in that country
- understand the eligibility, admission process, application process, scholarships available, examinations required etc.

The services provided through this arrangement are free of cost.

The students exploring International education options in USA, Canada, Australia, UK and Ireland are suggested to fill the google form, so that time-slots can be provided well in advance. The Desk would be setup on 17th March 2023 in the school.

Registration Link: <https://forms.gle/5DZzpWRvkbZvvKt7>

In case of any query, please feel free to connect with the School Counsellors:

Ms. Nakkashi Jain- 9811188344

Ms. Vanya Chadha- 9910739638

Warm Regards.

Sangeeta Arora
