GRADES 8 & 9

National Innovation Foundation (NIF) – India is organizing the Festival of Innovations and Entrepreneurship [FINE] in Rashtrapati Bhavan, New Delhi from April 10 to 13, 2023. Hon'ble President of India, Smt. Droupadi Murmu will inaugurate the festival on April 10 2023. For several years in a row, the FINE is country's flagship initiative towards respecting, recognizing and rewarding the creativity of the common man of our country, jointly organized by the Department of Science and Technology (DST), Govt of India and the National Innovation Foundation (NIF) – India under the aegis of Rashtrapati Bhavan.

We apprise our students to attend the festival on 11th April 2023 (Grade 8) and 12th April (Grade 9) during school hours. The students will be escorted by the teachers and will be using school buses. The exhibition will be a very good opportunity for our students to experience the innovations being displayed by grassroots innovators / other students representing the length and breadth of the country.

The parents are requested to register their ward through the given link <https://nif.org.in/fine2023>. Once registered, kindly share the unique identification number with the grade tutor.

Last day to register is April 6, 2023.

Warm Regards

Sangeeta Arora
