Dear Parent

KIS Sports Academy aims to inspire and nurture future generations through sports. Our endeavor helps young children to develop a love for sports and fitness even during the pandemic situation. The KIS Sports Academy will offer training in Badminton, Basketball, Cricket, Football, Lawn Tennis, Roller Skating, Squash, Table-Tennis, Taekwondo, Yoga and Swimming.

The KIS Sports Academy will be run by trained coaches who will guide and teach your children various skills related to their chosen sport. The coaches will also focus on instilling discipline, teamwork, and sportsmanship in the children. We believe that participating in sports is not only a great way to stay healthy, but it also helps in the overall development of children.

We invite you to enrol your children in KIS Sports Academy and take advantage of the numerous benefits that come with participating in sports. The academy is open to all students, regardless of their current level of proficiency in any sport. We welcome beginners and advanced athletes alike.

We will adhere to the guidelines provided by the Sports Authority of India (<http://sportsauthorityofindia.nic.in/sai/public/assets/pdfs/covid/SOP%20for%20%20Sports%20Activities%20Final.pdf>).

As per the parents' demand, we are conducting a survey for the transportation requirements of the Sports Academy. We are currently administering a **Transportation Survey**. Please click on the link provided and fill out the Google form <https://forms.gle/sqBGZpsugZdmUk5e7>
