Subject: Unlock Your Child's Potential with Abacus Training by e-Techno Mind at Indrayu Academy of Performance Art

Venue-Kothari International School

Dear Parents,

We are delighted to introduce a powerful educational opportunity at Indrayu Academy of Performing Arts - the Abacus Training Program by e-Techno Mind, where we make learning an adventure!

We encourage the parents of students in classes 1-5 to enroll their children in this transformative program.

How Abacus helps your kids:

Abacus training is more than just math; it's a holistic approach to nurturing young minds. Here's how it benefits your child:

- **Enhanced Mathematical Skills:** Abacus helps children develop a strong foundation in mathematics. They learn to perform calculations mentally and accurately, boosting their math prowess.
- **Improved Problem-Solving:** Abacus fosters logical thinking and enhances problem-solving abilities. Your child becomes a more effective and confident problem solver.
- **Increased Concentration:** Learning the abacus requires focus and attention to detail, skills that extend beyond math and benefit all aspects of your child's education.
- **Enhanced Self-Confidence:** As your child masters the abacus, they gain confidence in their math abilities. This newfound self-assurance reflects in their academic performance and daily life.
- **Fun Learning:** Our program is designed to make learning enjoyable and interactive, ensuring your child looks forward to every session.

About e-Techno Mind:

e-Techno Mind is a pioneer in innovative and effective education. Our mission is to empower students with tools and techniques that go beyond traditional learning, enabling them to excel in academics and life. With a team of accomplished instructors and a proven track record of success, we are dedicated to providing the best educational experiences for your child.

Unlock your child's potential with Abacus by e-Techno Mind. Enroll them to witness their mathematical growth and overall development.

To enrol or request more information, please contact at **8929902952/9818548495**

Let's embark on this exciting educational journey together and provide your child with the skills they need for a successful future!
