03.10.2023

Dear Parent,
Namaskar!

We are excited to introduce an upcoming initiative by Jagran Media Group aimed at promoting awareness about energy conservation, and we seek your support in making it a success.

Jagran Media Group has launched an 'Energy Conservation Quiz' called 'Sanskarshala,' consisting of two rounds. The first round is scheduled to be completed by October 10th, followed by the second round 15 days later. The primary objective of this initiative is to educate our students and their families about the importance of reducing our carbon footprint and conserving energy resources.

To register for this event, kindly click on the link below and do remember to save your **Green Pin** for further use.

<https://urja.jagransanskarshala.com>

As part of this program, certificates of participation and achievement will be awarded to the students who successfully complete both the rounds. We kindly request you to share these certificates with our Social Studies Department/Grade Tutor to acknowledge and celebrate their participation.

Together, let's empower our students to become responsible global citizens who actively contribute to a sustainable future.

Warm Regards

Sangeeta Arora
