Dear Parent,

As an aware parent, you are all well acquainted with the fact that accurate reasoning and logical conversations work wonders for the psychological & cognitive development of children. We, at the Kothari International School, Noida would like to invite our respected parents to **a modern parenting workshop including an interactive book reading session on Parenting** by an achiever, edupreneur, vlogger, podcaster & now an esteemed author **Ms. Manjula Pooja Shroff**.

Ms. Shroff has wonderfully woven a book titled **'Baby Steps to Big Dreams: Essential Conversations for modern parenting'** which she actually liked to share with all of us and even the books will be available to purchase.
