Dear Parent

***"Opportunities are the venues where people can try, test, better, and even find themselves."***

KIS has always believed in giving opportunities to connect current knowledge with new learning. Continuing with this endeavour KIS feels elated to share with you that **IIHM** is proud to announce their **"IIHM Young Chef India Schools 2023"**.

**International Institute of Hotel Management is the largest chain of premier Hospitality and hotel management schools across India that started its journey in 1994.** The Institute is a part of **Indismart Group Worldwide** and offers a world-class education in Hospitality Management in India and internationally.

In 2011, IIHM pioneered India's first Young Chef culinary competition **"IIHM Young Chef India Schools"** in association with the Ministry of Tourism, Govt of India with the participation of students from class XI and Class XII and from all over the country. The nationwide campaign that was initiated to identify young culinary talent has now become the largest young chef's competition in recent times with over 20,000 young students participating. The competition is broadcast on Food Food TV Channel owned by Padmasree Chef Sanjeev Kapoor.

**"IIHM Young Chef India Schools 2023"**, the 12<sup>th</sup> edition will be held online with over 20000 participants from all over India. We would request your school to support this momentous competition and encourage the young people of the country to learn the life skills of basic culinary art and participate in this prestigious event. IIHM Young Chef India Schools 2023 is back and we have started taking nominations for Classes 11th and 12th students where students showcase their culinary passion and reach National Finals to represent their School.

**The Prelim Round will happen online over Zoom on Saturday, 2nd December, where the students have to showcase their culinary skills in front of IIHM's Chef Judges.**

**Interested students may contact Ms Shilpi Sethi (9650155001) by Saturday, 25 November 2023.**

Warm regards,

**Dr Sangeeta Arora**  
Principal, KIS
