Your Vote is Your Voice, it plays a crucial role in determining the direction our country will take.

We urge you to exercise your **Democratic Right** and cast your Vote on **Friday, 26th April 2024**. Every vote counts and your choice will contribute to the decision making process that impacts us all.

You will be awarded with a **Certificate of Appreciation** for being **Socially Responsible Citizen** and your ward will be felicitated on your behalf in the Assembly and your ward will get an **'A' Grade under the category Socially Responsible/ Work Education** in their Report Cards. As children learn by emulating their elders, they would understand the importance of voting and become future Socially Responsible Citizens of our Country.

We request you to make this day a Special Day by taking your child along with you to the Voting Booth, take a selfie and post it in the respective Google Classroom.
