GRADE 6

Dear Parent

Namaskar!

We are pleased to inform you that the school is organizing an educational visit to "National Museum , New Delhi' for our Grade 6 students on 12th April 2024 (Friday) within school hours. This excursion aims to provide our students with a unique learning experience while exploring sustainability and environmental conservation.

We would appreciate it if you could fill out page no. 151 of school almanac and return the consent form by tomorrow granting permission for your child to participate in the excursion.

Thank you for your continued support in enriching our students' educational experiences.

Warm Regards

Dr. Sangeeta Arora
Principal
