Swimming try-outs

09.04.2024

Dear Parent
Greetings of the day!

This is to inform you about our plans for the formation of the school swimming team for the academic year 2024-25.

We are excited to announce that swimming try-outs will be conducted on **13th April 2024**, starting from **8:00 am**. The try-outs will be open to students from Grades 4th to 10th. The purpose of these try-outs is to select talented individuals who will represent our school in various swimming competitions throughout the year.

Furthermore, upon the formation of the team, we plan to initiate a before-school training program for the selected students. This program will provide them with additional practice and help them improve their skills. The training sessions will be conducted on weekdays during school hours.

To facilitate the try-outs and training program effectively, we have scheduled the following timings:

- **Classes 3,4 & 5: 8:00 am to 9:30 am**
- **Grades 6, 7 & 8: 9:30 am to 11:00 am**
- **Grades 9 & 10: 11:00 am to 12:00 pm**

Additionally, I would like to highlight the swimming gears required for participation, including **caps, goggles, costumes, and towels, for both boys and girls**. It is essential for all participating students to come prepared with the necessary equipment.

We believe that forming a strong swimming team will not only enhance our school's sporting reputation but also promote physical fitness and teamwork among our students.

If you have any questions or require further information regarding the swimming try-outs or the training program, please feel free to reach out to Mr Shubham (8527800812)

Thank you for your support in this endeavour.

Warm regards,

Dr Sangeeta Arora
KIS Principal
