**Internship Opportunity
CRY- Child Rights & You**

Dear Parents/Guardians,

We are pleased to share an exciting opportunity for our students to participate in an internship program with **CRY - Child Rights & You**. The program, titled "Youth Change Champion," is an education-based internship designed for school-goers, scheduled to take place from **June 1st to June 30th, 2024**.

As one of India's leading non-profit organizations, CRY is dedicated to upholding the rights and well-being of children across the nation. Participating in this internship allows our students to be a part of meaningful work that addresses critical issues such as education, health, and protection of children. By joining this program, students can contribute to positive change while gaining invaluable experience.

Why This Program Matters:

- **Advocating for Child Rights:** Students will learn about the challenges that many children in India face and how they can play an active role in advocating for child rights.
- **Community Engagement:** The program emphasizes community involvement and encourages students to lead and organize campaigns for meaningful causes.
- **Real-World Experience:** Students will work on live projects and collaborate with industry experts, gaining skills that will benefit them in their academic and professional pursuits.

If your child is interested in applying for this internship, kindly email our school counsellors at the following email addresses, who will be happy to assist you with the registration process and provide further details.

Please Note that the last date to apply for the same- 18th May 2024
