JULY INTERNSHIP PROGRAM

GeniusHub, Inspirin & Luneblaze

Grades 8-12

Dear Students & Parents,

Namaskar!

We are elated to apprise you about the upcoming *July Internship Program* for our students of *Grades 8-12.* At Kothari International School, we are dedicated towards providing enriching experiences that not only enhance academic learning, but at the same foster real-world skills and professional development.

What students will gain:
- Comprehensive training in their desired domain
- Hands-on experience working alongside seasoned industry experts
- Opportunities to contribute to ongoing projects and initiatives, gaining invaluable practical insights.

Internship Details:
- The esteemed partner companies for this program include GeniusHub, Inspirin, and Luneblaze, renowned for their commitment to excellence and innovation.

The program offers openings in various domains, including:
- Artificial Intelligence & Machine Learning (AI/ML)
- Graphic Designing and Video Making
- Marketing Campaign Designing
- Data Analytics

Internship Highlights:

- **Duration:** 4 weeks (Work From Home).
- **Start Date:** July 15, 2024
- **Training:** Over 8 hours of intensive domain-specific training sessions.
- **Projects:** Each participant will undertake 2 minor projects and 1 major project, providing ample opportunities to apply newfound skills and knowledge.
- **Certificates:** Upon successful completion, participants will receive Internship Completion Certificates, recognizing their dedication and achievements.
- **Recognition:** Exceptional performance will be rewarded with special accolades, fostering a culture of excellence and motivation.
- **Magazine Feature:** The outstanding contributions of participants will be highlighted in the prestigious INSPIRIN Magazine, showcasing their talent and dedication to a wider audience.

- **Internship Registration:**

    - Registration Fee: INR 1,499
    - Registration Form: https://forms.gle/rsuhovW9pwWxuSEQ9
      Once the students register, we will share more details about the Internship Program.
    - Limited Openings
    - **Last date of Registration: July 11, 2024**

Warm regards,

Dr. Sangeeta Arora
