**PERFORMING ARTS
THEATRE CIRCULAR
Grade 9 & 10**

July 09, 2024

Dear Parents
Namaskar!

Theatre to students can be a transformative experience, offering them a unique blend of creative expression, personal growth, and collaborative learning. Introducing theatre to students not only enriches their educational experience but also nurtures their personal and interpersonal development.

We are pleased to introduce **Theatre** as an option in **Performing Arts**. Students who want to switch their **Performing Arts** choice to **Theatre** can fill out the attached Google Form.

Please note that seats will be offered on first-cum-first-serve basis as there are only 30 seats.
