New Student Dining Experience at Kothari International School

Introducing "Food & You" by Sodexo – Nourishing Young Minds at Kothari International School

Dear Parents,

We are pleased to announce that beginning 1st July 2025, Kothari International School is partnering with Sodexo India, a global leader in food and hospitality services, to enhance the dining experience for our students.

Through Sodexo's specially designed student dining program, "Food & You," more than 2,500 students at our school will benefit from nutritious, balanced, and hygienically prepared meals, served daily by a team of 45+ trained food professionals.

Why this partnership?

Because we believe that healthy food supports academic success and emotional well-being. Sodexo brings to our table:

- Scientifically designed menus created by expert nutritionists
- Global culinary standards infused with familiar local flavours
- World-class hygiene, food safety, and allergen management protocols
- A child-centric approach that promotes healthy eating habits

This collaboration is part of our ongoing commitment to your child's holistic development — nurturing both mind and body with care, quality, and consistency.

We look forward to providing a mealtime experience your child will enjoy and benefit from every day.
