During the years following 1815, the fear of repression drove many liberal-nationalists underground. Secret societies sprang up in many European states to train revolutionaries and spread their ideas. To be revolutionary at this time meant a commitment to oppose monarchical forms that had been established after the Vienna Congress, and to fight for liberty and freedom. Most of these revolutionaries also saw the creation of nation-states as a necessary part of this struggle for freedom.

(8.1) Mention any one political demand of the liberals. (1)

(8.2) Mention the main cause for the rise of secret societies in European States. (1)

(8.3) Analyse the reasons for many liberal-nationalists going underground after 1815.(2)

- Q28.** Read the given source and answer the questions that follow : **(4)**  
Rights are necessary for the way sustenance of democracy in a democracy every citizen has to have the right to vote and the right to be elected to government for democratic elections to take place it is necessary that citizens should have the right to vote and the right to be elected to government. For democratic elections to take place it is necessary that citizens should have the right to express their opinion , from political parties and take part in political activities.  
Rights also perform a very special role in democracy . Rights protect minorities from the oppression of the majority. They ensure that the majority cannot do whatever it likes. Rights are guarantees which can be used when things go wrong. Things may go wrong when some citizens may wish to take away the rights of others . This usually happens when those in the majority want to dominate those in minority . The government should protect the citizen's rights in such a situation .But sometimes elected governments may not protect or may even attack the rights of their citizens. That is why some rights need to be placed higher than the government cannot violate them.  
(28.1) Name a political system essential to establish rights as per the source. **(1)**
