- Old Mac Donalds
- Bear Over the Mountain
- I Salute my Flag
- Pit Patter
- I Like the Pit Patter
- Jungle Mein Janwar

Reading

- Sounds, Second and Third Group and Beginning Sound
- c,k (cat& Kite)
- e (elephant)
- h (horse)
- r (rhinoceros)
- m (monkey)
- d (dog)
- g (goose)
- o (ostrich)
- u (umbrella)
- (lion)

Kalakari

- Number Drawing
- Shape Drawing
- Animals Collage

LEARNING OUTCOME

- To enable students to recognise and identify different animals and their characteristics.
 - To learn and appreciate the importance of animals around us.
- Learning of new rhymes and story would help in vocabulary expansion and getting correct pronunciation

My Creativity

- Picture Book
- Puzzle Making
- Spot the Difference

Being Human

- Independence Day
- Good and Bad Hygiene
- What are my hands for?
- Daily Routine

Music and movement

- Bilateral Exercises
- Yoga Exercises
- Meditation
- Jungle Dance

Just Science

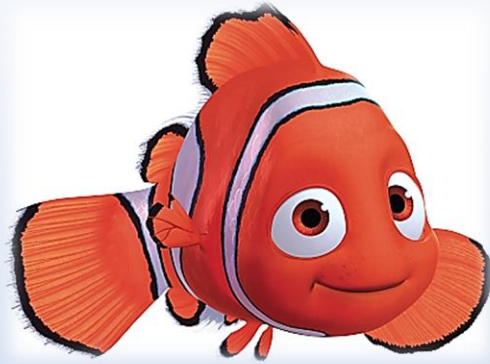

- Shadow making

Culminating Activity

- Animal Parade

'Nemo the Fish'

Culture curry

- Corn Salad

Listening and Speaking

- Swimmy the Fish Story Narration
- बंदर और बड़ी मछली
- Show and Tell
- Picture Reading
- Circle Time

Number Games

- Number Recognition (1-10)
- Quantitative Counting (1-10)
- Rote Counting 1-20
- Heavy and Light
- Full and Empty
- Same and Different

Writing

- Letters f, b, ai, j, oa, ie, ee, or
- Numbers Writing 5 and 6

- A Sailor went to the Sea
- It is a Beautiful Day

Reading

- Third Group and Fourth Group and Beginning Sound
- f (Fish)
- b (ball)
- ai (pail)
- j (jug)
- oa (boat)
- ie (tie)
- ee (bee)
- or (torn)

Kalakari

- Drawing of a Fish
- Fish Sequencing
- Number Drawing

LEARNING OUTCOME

- Students will learn to recognise and identify underwater animals.
- Students will identify fish as a living creature and its different body function.
- Develop Sense of personal hygiene while in the pool
- Will learn numbers and alphabets

My Creativity

- I the Illustrator
(Creating your own Book)
- Drawing of Underwater World

Being Human

- Gratitude
- Teamwork
- Empathy towards Animals

Music and Movement

- Bilateral Exercises
- Yoga Exercises
- Meditation
- Slippery Fish
- Baby Shark

Just Science

- Water Properties

Culminating Activity

- Beach Party

'CARS'

Culture curry

- Sandwich Making

Listening and Speaking

- Story Narration - Frendy the Bus
- Story Narration-
बस और बादल गरजे
- Picture Reading
- Picture Comprehension
- Show and Tell
- Role Play

Number Games

- Number Recognition (1 - 15)
- Quantitative Counting (11- 15)
- Rote Counting 1-100
- Patterns
- Symmetry
- Backward counting 10-1

Writing

- Letters z, w, ng, v, oo, y, x
- Numbers Writing
8, 9

Beats and Melody

- I am driving in my car
- Flying an Aero plane
- Take a Bus
- Five Little Firemen
- Down at the Station
- Lal pilli Motor

Reading

- Fifth and Sixth Group and Beginning Sound
- z (Zebra)
- w (Watch)
- ng (King)
- v (van)
- oo (root)
- y (yak)
- x (x- ray)

Kalakari

- Board Game
- Clay Moulding
- Number Drawings
- Letter Drawings

LEARNING OUTCOME

- Students will learn to recognise and identify different modes of transport
 - They will learn about traffic lights.
 - Develop critical thinking.

My Creativity

- Transport Book
- Go Car Go- Board Game

Being Human

- Safety on Road
- Teamwork
- Gratitude

Music and Movement

- Bilateral Exercises
- Yoga Exercises
- Meditation
- Transport Song

Just Science

- Inclined Plane
- Wheel Shape experiment

Culminating Activity

- Vehicle Parade

'Hopscotch'

Culture curry

- Fruit Skewers

Listening and Speaking

- Story Narration Friendly Number 1
- हेल्पफुल गट्टू चिकी
- Show and Tell
- Circle Time
- Picture Comprehension
- Analogy

Number Games

- Number Recognition (11-15)
- Quantitative Counting (1- 15)
- Rote Counting 1-50
- Backward Counting 20-1
- Fat and Thin
- Top and Bottom
- Bigger and Smaller Numbers

Writing

- Digraphs Writing ch, sh, qu, ou, oi, ue, er, ar
- Numbers Writing 10

Beats and Melody

- Hopscotch Fun
- What do you do?
- I am so Happy
- हेभगवान

Reading

- Sixth Group and Seventh Group Sound
- ch - chain • ou, - couch
- sh - shout • oi, - coil
- th - this • ue, - fuel
- th - thorn • er, - fern
- qu, - quiet • ar - car er, - fern

Kalakari

- Number Drawing
- Shape Drawing
- Christmas Craft

LEARNING OUTCOME

- Students will be able to ask and answer when, where and how questions.
- They will understand size and shape relationship

Music and Movement

- Bilateral Exercises
- Yoga Exercises
- Meditation
- Hopscotch Game

Just Science

- Gravity
- Measurement

My Creativity

- Free Hand Drawing
- All About Me

Being Human

- Joy of Giving
- Helping Others

Culminating Activity

- Kid Fit Day

'Fruit Basket'

Culture Curry

- Fruit Chat Party

Listening and Speaking

- Story Narration Cheeku the Fussy Eater
- फल सब्जियाँ या फिज़ा बगरि
- Show and Tell
- Circle Time
- Picture Comprehension
- Picture Reading
- Un-Jumble Words
- This and That Sentences
- Analogy

Number Games

- Number Recognition (1 -20)
- Quantitative Counting (1- 20)
- Rote Counting 1- 100
- Backward Counting 20-1
- One More Than
- One Less Than
- Subtraction
- Fat and Thin

Writing

- Revision of all Letters of 7 groups
- Backward Counting 20-1
- Numbers Writing 1 -20

Beats and Melody

- Peel Banana
- There is a whole in the middle of the ground
- Vegetable for you and me

Reading

- s- n
- ck- d
- g- b
- ai- or
- z- oo
- y- th
- qu- ar

Kalakari

- Number Drawing
- Shape Drawing
- Fruit Basket
- Root Vegetable Drawing

LEARNING OUTCOME

- Gain an understanding of good nutrition.
- Learn the basic food groups and what each one consists of.
- Develop an understanding of why eating healthy is important.

Music and Movement

- Bilateral Exercises
- Yoga Exercises
- Meditation

Just Science

- How Plants Grow?
- Sense Organs

My Creativity

- Create your own Masterpiece
- Vegetables with the help of Clay

Being Human

- Taking care of the Nature

Culminating Activity

- Little Picasso Day
