

MONTHLY PROJECTION – JULY

GRADE 4

Dear Parents,

We are excited to welcome you as partners in your child's learning journey. Together, we strive to create meaningful and engaging experiences that support their growth and development.

We are pleased to share the Monthly Projection for July 2026. This document outlines the key learning standards we will focus on for each concept, along with the hands-on, experiential activities designed to deepen students' understanding and make learning more interactive and impactful.

We appreciate your continued support as we work together to create an enriching environment for our students.

ENGLISH

LITERATURE

- Chapter 3: The Pizza Girl
- Chapter 6: I wrote this little poem

- Solve real-life problems on division.

ACTIVITY 1

Math Jump Mania
(Multiplication Activity)

- Material Required:
Multiplication Cards
(Provided by the teacher)

ACTIVITY 2

Figure Me Out Division Activity

Materials Required:

- A-3 size coloured sheet
- colourful sticky notes/ colourful squares of 6cm x 6cm
- Sketch pens, Colourful tape, Fevicol/glue stick

Say Cheese

EVS 1

ACTIVITY - 1

MODEL OF A TOOTH

Things required to make a
3D Model - Clay Modelling

ACTIVITY - 2

TOOTH DETECTIVES

Chart Paper, markers,
Toothbrush^E

LEARNING OBJECTIVES

Students will be able to:

- Describe the functions of different parts and layers of a tooth.
- Recognise the importance of teeth.
- Name the parts of tooth.
- Identify the layers of a tooth.
- Describe the functions of various layers of a tooth.
- Create a model to show the parts of a tooth.
- Identify and describe the functions of various types of teeth.
- Identify different types of teeth and describe the functions of different types of teeth.

EVS 2
